“ My dearest Brother-in-law, as I sit here this morning at your kitchen table it brings back memories of the many times in Laughlin you and I would enjoy the early mornings talking and laughing. My fondest memory dear brother-in-law is the LOVE you shared with my sister Linda through the years and the joys you two shared. As I think of my personal memoriesthese are some that I continue to remember fondly: Your nephew that passed-out at the alter on your and Linda's wedding day, the times when you and Linda wore clothes with matching colors, the 1951 Chevy you were so proud of, when we all went UpNorth to Oscoda and went on a charter fishing trip and everybody got sick except me, your squish penny collection and the pleasures Bruce and I had finding them for you, the fact you always smelled so good (excellent choice of cologne),spending time in Elk Rapids, the Christmas we sent you that tiny Christmas package that said do-not- open until Christmasthat drove Linda crazy because you didn't open it until then and my all-time favorite.. The family always called you and Linda "Love & Dove"... the inseparable two some! For all the special joys you have brought to my life..having you as a brother-in-law and friend has truly been a blessing in my life. You will continue to live on in my Memories and Prayers.God Bless Love Always, Kathy

“ I am going to miss you very much Julian. I will always remember the times that you and Linda came up and stayed with me they were great times. I loved the all times you and I would sit and watch a ballgame or just TV and eat chips. I will never forget when you ask me to go with you and Linda up to Mackinac. That was a great time together. There were so many good times we had together. I no now you are in a wonderful place where you have no more pain.

“ I'm going to miss you Julian. Although we didn't see each other very often, we did enjoy a closeness and you were very easy to talk to. We had a lot of good conversations. Also, the Schulte family was very important to you (of course Linda being the most important). Janice has the family picture you took on our refrigerator all 27 of us (hope I counted correctly) and I enjoy looking at it and the smile on your face. I'm sure that where you are, that you are still smiling. I pray that you have given your strength to Linda to continue living the life you would want for her.

“ Dad - I will always remember...your driving the Cavaliers bus, family trips to Daytona & McMillians, visiting Grandma/Grandpa & Aunt Gerry, buying the Prowler, the black car, and eating potato chips in the evening. Rest in peace. Give Matthew a big hug for me. Love you.

“ I am happy to have been able to fulfill a request and share a passion of mine with you. In fact, I can still hear you telling me that you told Dudley to trot, when I was so scared that he was gonna do something wrong. But you were in control and had a hold of the the reins. The smile that was on your face was priceless. Moments like that I promise to always cherish and remember. You will always be in my heart and I love you.
