“ *I'm sorry to hear of Julie's passing. She was my mother's cousin. I have fond memories of her and her family at their farm near Jacksonville. She and her sister would race their Camaro and Corvette, taking us for the ride of our lives when we were little. Both of my in-laws were at Baileys this year, during August and September. So I know she was in the best possible place for care. From Julie's first cousin, once removed, David Henry*

Julie was our dear friend for 38 years. We shared many life experiences and could tell many stories, but by far the best thing we know about Julie was her love for the Lord Jesus Christ. She demonstrated this so beautifully as she traveled through her cancer journey. She accepted God's plan for her life and determined to live each day to the fullest, looking forward to "stepping on shore and finding it Heaven"! She was intentional in sharing what the Lord was doing in her life and encouraged others to seek Him and live for Jesus.

We loved her dearly and miss her greatly. Howard and Dixie

“*Julie was a wonderful person! So full of life and always cheerful, except of course during her grief for the loss of her son Kevin. As a strong Christian, Julie knew there is life after death and while we miss her vivacious personality, she is in the loving arms of our Father, waiting to see Kevin and her loved ones behind those pearly gates. Enjoy your eternity Julie.*

“*The first time I met Julie was in our Bible Study Group held at Welaka Methodist Church. She had a real gift, in referencing scriptures. As she answered the study questions she spoke in a soft reverend like manner. I truly felt the Holy Spirit within her. I Praise God for letting me know her. She will be at peace in Heaven. I will miss her! Prayers for her family and friends.*

“*I only knew Miss Julie for about a year and a half but in that time we became close. She called me the “daughter she wished she always had” she was an angel on this earth and now she is an angel in heaven. She thought me so much and was the role model I wish I always had. I love and miss you so much Momma Julie.*

“ I knew Julie her entire life. She had a laugh that you remembered. When I heard her laugh it reminded me of her mother's laugh. Julie was a character. She loved her friends, She loved her family and most of all she loved Jesus. Her message she left behind is that through faith and repentance in Jesus Christ you can see her again. She would say with obedience of God's commands you can be sure of your salvation. See ya later my friend

“ Julie will be missed, she was a strong woman, the one thing I really loved about her was she would say it like it is. I pray comfort for the family and I look forward to seeing Miss Julie in the Resurrection. Pastor Tim Foust

Words can't express the sadness my heart feels with the loss of my dear friend Julie. I have many great memories that will forever be indwelled in my heart. We met in our early 20's in the singles class at FBC. Throughout the years we have had a great friendship. A friendship filled with love, laughter, traveling and trying to solve the worlds problems. We also shared our heartaches, trials and losses. The loss of Kevin was the greatest loss a mother can endure. The love of our Lord sustained her. Over the years her spiritual growth grew as she read and memorized scripture. Recently we talked about how "Beautiful" God's Promises are as a loyal friendship. These promises are found in Ephesians 4:1-3, I Peter 4:8-10, and I Thessalonians 5:15. This says it all about Julie. She will always be in my heart.
