“ Oh how I'll miss my Junie Moon. She brought so much joy to everyone at the Lightner Museum - visitors, staff, her fellow volunteers. Simply put, if June was around, people were smiling. I was happy to have been one of her “Thursday girls”, and shared lots of laughs on our nights out to dinner and the Limelight. We all went to see Annie Get Your Gun last week because we promised her we would - because that was June, thinking of others even as she knew her time on earth was nearing an end. What an amazing lady. We will never forget her, and she'll always be with us in our hearts.
