“ God do I miss you! I've been thinking of you hard lately. I wish I could talk to you and tell you all about how my life has changed. It's not the same not being able to call you up and vent and share. I miss all the great memories we shared and I just can't believe still that you are gone. I love you so much boo. You were my best friend, my twin, my everything.

“ Happy Heavenly Birthday, big sis. Life has been extremely hard all these years but things are starting to change. I want you to know I'm sorry for any of the times we fought or any times we took for granted. I would do anything to spend the day with you, and hangout like old times. Man have things changed.. I wish we had more pictures, more memories, more laughs and more time. Today we're gonna celebrate you. I love you sis forever and always. Fly high K-bear ☐ 🌟

“ *My Dear Child. You have left this world much too soon. As you left our lives and entered into Heaven and eternal life, there is such an emptiness in my heart. I loved you so very very much. You gave me strength and lifted my spirits when I needed it most. As faith will provide... you will be forever with those who truly loved you and those you truly loved. I will keep you in my heart always to help ease the pain. I will always cherish the memories of your smile laughter and will long for your hugs and kisses for a long time to come. Your Momma and your Lil Man Kaleb J. Love You Eternally. LOVE YOU MA-MA.*

“ To my "walk a little on the edge" sister, I love you and miss you so much. Our lives have both had their ups and downs but one thing has never cahnged...the fact that we're sisters. I forgive you for all that has been done ad can't wait to see you again to build our friendship. Without you I feel like a piece of me is missing. I'm so scatter brained and don't know what to do, none of this is right. Until we meet again always walk by me and be my strength and protection. I love you and will miss you always. The biggest hug and Kiss Muah and mmmmmnnnyeaaa!
