“ Dear Doris and Family, I'm so sorry for your loss. I know you don't remember me, Charlie and you came to my 30th. surprise bday party, and both of you two had everyone in stiches playing trivia pursuit, I'm am now approching my 55 bday so that tells you how long ago that was. I was a pipefitter for Budds also. Charlie worked with myself, Paul Paquette, Boomer, Dave Hodges, Rick Merrell and a lot more. Charlie was one of my favorites. I'm really disappointed that we just found out about his passing today (9/27/09) Some union we have!?!?! I know all the fitters that worked with him, have and always will, miss him.
