

## Keith A Parmer

February 8, 1981 - November 6, 2024

Keith A. Parmer, 43, of St. Augustine, Florida, passed away on November 6, 2024, at UF Health Flagler Hospital.

Born in Miami, Florida, Keith grew up in Big Pine Key before eventually settling in Lake City, Orlando, Palatka, and most recently, St. Augustine. From a young age, he developed a deep love for the water, which would shape his career and passions throughout his life. A skilled boat mechanic by trade, Keith found joy and fulfillment in working on boats—his craft and passion were one in the same. He brought precision, dedication, and an undeniable love for the water to everything he did.

Keith's adventurous spirit was unmatched. A true daredevil at heart, he loved the freedom of his motorcycle and embraced life with boldness and excitement. His unique personality, marked by his sarcasm, stubbornness, and blunt honesty, also revealed a caring and fiercely loyal side. While he didn't always express it in conventional ways, those who knew him well understood just how much he loved and valued his family.

Keith is survived by his loving father, Frank Parmer and loving mother, Dimars); ; children, Aaron Plemmonus, Ryan Ginn and Elizabeth Davis-Martin; siblings, Chris Workman, David Barry, Summer Parmer, Desiree Thomas and partner, Leighann Davis and many friends who will miss him dearly. His larger-than-life personality, quick wit, and love for adventure will live on in the hearts of those he leaves behind.

“ Keith Allen was nothing short of amazing ...in every aspect and every way..being his blood cousin myself and my sister Janine Mcfarland were close enough to call him basically our twin brother almost...and considering the obit mentioned NOTHING about his mother's side of the family that has survived and loved him to death probably even more than most others but he was so popular and gifted intelligent and will be so very very missed by self and many others on this side of his family as well as everyone else....I know your with your mother where you wanted to be for the longest...I miss you both but I know you not in pain anymore... I'll see you soon Keith Allen!!!

“ Keith has been one of my favorite friends, since middle school we had the same friends and hung out together. I am so grateful and so blessed that i knew him  
My favorite thing about keith was his voice. I could listen to him talk for hours. My condolences to the family.
