

Kelly Eugene Batten

December 7, 1976 - April 13, 2025

Kelly was born in Orange Park, Florida, and grew up in Orangedale, where he developed a strong work ethic, a love for the outdoors, and a deep appreciation for family. He attended Nease High School and went on to graduate from vocational school, where he quickly stood out for his welding skills, earning numerous awards and recognition.

After graduation, Kelly began his career with Smith Maritime, a job that allowed him to travel and do what he loved—working with his hands and building things. Over the years, he became a highly sought-after welder, working with several companies and earning a reputation as a dependable, skilled craftsman.

Kelly was a true jack of all trades, much like his father. He had a gift for fixing and creating just about anything, and his knowledge spanned a wide range of topics. Whether it was welding, woodworking, mechanics, or working outdoors.

He loved the outdoors—especially hunting, fishing, and shrimping—and found peace in the woods and on the water. One of his greatest joys was spending time with his family, especially his grandfather, who taught him many life lessons, including how to care for the family's orange grove.

He is survived by his father and stepmother, Mike and Dee Batten; sister, Michelle Leonard (Steven); nephew and nieces, Andrew Leonard, Carlee Tharpe and Ashlyn Leonard. He was preceded in death by his mother, Linda Batten.

A graveside service will be held at 10am on Saturday, April 19, 2025 at Orangedale Cemetery. A reception will follow the graveside at 12 noon at Turning Point Church. A visitation will be held from 6-8pm on Friday, April 18, 2025 at St. Johns Family Funeral Home.

St. Johns Family Funeral Home and Crematory is in charge of arrangements.
