“ *Janice, I was deeply saddened to find out Kenny passed away. Please accept my sympathy. It's been a long time since I've heard from you, I didn't know where you moved to. Even though I hadn't been in contact with Kenny in so many years he has always been on my mind. I did love my brother very much and feel bad that we were never able to know each other as adults. I would love to hear from you and know how your doing. Love, Sue*

*It's a special gift to see this message from you Susan, tomorrow the 12th anniversary of Kenny's passing. I'm so sorry I didn't see it sooner. We lost track of you. Didn't know where you lived or your address. I am doing all right. Would love to hear from you too.*
