“ *Light a Candle Light a candle for those we mourn. Into a new life they will be born. Do not look for them at the gravesite. They are somewhere else radiating their beautiful light. They have gone to a new world where there is no darkness, no pain. Their light and essence will always remain. Light a candle for those who have left this mortal place. They are free to travel through time and space. When we think of them, they are near. When we sit in a beautiful garden. Their voices we hear. When we listen to a divine symphony, We close our eyes, their faces we see. Light a candle for they have not really gone. With each flickering flame, in your hearts they will always belong. My thoughts and prayers are wit the family. Amanda Hendricks*
