“ I remember meeting Leonard at my sister's house when he first became I'll. A likeable fellow, we had a nice talk about The Lord. I encouraged him to look to the Lord , pray comfort for his family and friends, those who love and care about him. He will be missed , may he rest in peace , Ms Deanna Hadden

One of my all-time favorite people & close friend. We spent many of our adolescent years playing ball & hunting together and taking his family's boat into the canals being built by ITT (Palm Coast).

He and Derrick reached out to me at my father's Memorial Service and we had a chance to renew our friendship. I was most pleased that he reassured me then and just a few weeks ago that he was still a believer in Christ. Knowing this, makes his passing easier to accept.

You will be missed brother! Tom
