“ *It is so painful to know that you and I will speak no more here on earth. It is comforting to know that you are in no more pain and mainly just to know you are with our Creator and Heavenly Father in heaven and with Jesus to. No better place to be for anyone. Someday I pray I will be with you also until then I pray we meet on the starpath to heaven. You are always in my heart and thoughts my beloved brother, Many Blessings, Phyllis Jean Wilson*
