“ *Uncle Lester, as I think of you in heaven, these words to a song come to mind... If you could see me now I'm walking streets of gold  
If you could see me now I'm standing tall and whole If you could see me now  
You'd know I've seen His face If you could see me now  
You'd know the pain's erased You wouldn't want me To ever leave this place  
If you could only see me now.*
