“ *I love you mom. More than you could have ever known. You were my best friend. I told you everything. You never judged and were quick to put in your opinion, whether it hurt or not. Which is why I never wanted to hear it about my outfit, because you always hurt my feelings about what I wanted to wear. Lol. You were amazing to us kids. You would give us your last dollar. We loved you so much. I couldn't have asked for a better Grandma for Kinleigh. She loved you so much. You loved her so much. I'm glad you're no longer in pain. I love you.*

“ *Juriee was one of the most kind hearted, loving and family oriented woman ive ever met.. She took me into her home- even built on an extra room in her house for me to come live with her although she already was on a budget and had 4 children to take care of. She was everything a mother is supposed to be and a BEAUTIFUL person inside and out. Her soul is made of the purest ingrediants and they just don't make people the same as they do the day that God made her. May you rest in peace with the angels.... Surely you have become one of the brightest among them*
