“ My sweet loving Aunt Linda, may you be in heaven will all your love ones. I hope my loving mother is with you. Life is extremely difficult consuming our precious time from loved ones. I'm grateful & thankful for the precious moments we did spend together. Wonderful memories visiting you as a child and the sleep over at your home. Spending time while finishing and visiting you while you were working at Skinner Dairy drive thru. Seeing you on a few occasions at Publix. Until we meet again your memories will be carried throughout my remaining life. Huge hug and much love. Enjoy heaven.
