

Linda Marie Maksin

September 12, 1960 - January 27, 2024

Linda Marie Maksin, 63 of St. Augustine, passed away on Saturday, January 27, 2024, at Community Hospice Bailey Family Center for Caring in St. Augustine.

Linda was a lifelong resident of St. Augustine and was born at the “old” Flagler Hospital in 1960. One of her favorite things to do as a young girl was to go camping and fishing on the beach. She would call it “the good old days” when you could just camp on the beachfront. She never left the beach without collecting at least one seashell or a shark’s tooth.

Linda’s favorite place was between Vilano Beach and Porpoise Point where the rocks are now. Her second favorite place was under the pier at St. Augustine Beach. During low tide, it made for some amazing pictures.

Linda loved the sunrise. Sometimes she would wake up early and rush down to the beach to catch the sun rising.

As she got older, one of Linda’s favorite hobbies was painting. She was a self-taught artist and was very good at her craft. Most of her paintings were of sun rising over the water on the beach front. Linda said that many of her sunrise paintings were from memories of amazing views of the sunrise off Vilano Beach from when she was a child.

She leaves to mourn her three children, Bobby Gene Breedlove, Tony Steve Breedlove, Jessi Charles Breedlove; and three sisters, Bonnie Groves, Tina Pacetti, and Brenda Smith.
