“ One of a kind. Funny, smart, creative, caring, strong willed. Always entertaining. We had so many laughs over the years. I always felt like I could tell her anything. I will miss her so much!

I don't know how I'd sum Mom up in a comment. She's the most intelligent, passionate, and imaginative person I'll ever know. I love you so much, Mom.

I know this isn't the place to make this request but I don't know how else to... if you've already sent flowers we will love them but please don't spend your money on flowers ❤️
