

## Lisa Ann Bond

August 20, 1964 - February 16, 2024

Lisa Ann Bond (née Bell) passed away on February 16, 2024, as the sun was setting over the Atlantic Ocean at her home in Saint Augustine, Florida. She was 59.

Lisa was born and raised in Miami, Florida, and in her 20's moved to Colorado, where she met her husband. She returned to Florida in 2014. She created a successful financial planning business in Colorado and later Florida, and counted her clients among her many friends.

An accomplished painter, she moved through life like a brushstroke of bold color, and her laughter was a melody. Lisa was a vibrant personality that captivated every room. She loved life and cherished the outdoors in both Florida and Colorado, and loved hiking throughout the Rocky Mountains. She was always surrounded by friends and happiness throughout her life, and she left an indelible imprint on the lives she touched. Lisa adored all animals, particularly boxer dogs, and was prolific supporter of dog rescue and habitat conservation in Colorado.

Lisa is lovingly remembered by her husband, Madison Bond, her sister, Lory Moody, her sister-in-law, Lyn Bell. Her spirit joins her brother Michael Bell, sister Marcia Bell, father Thomas Bell, and mother Germaine Bell. As a tribute to Lisa's affinity for the dogs who love us, those wishing to honor her memory

may offer contributions to AdoptABoxerRescue (<https://adoptaboxerrescue.com/>)

“ I was fortunate and had the opportunity to spend some time with Lisa over the past few years in Steamboat. Lisa was such a great lady who was full of life. We spent a few days on the water fly fishing together, she would always get so excited at every fish opportunity, even so much as letting out a little scream of joy if she hooked a trout or missed one. My daughters, Mya and Jesse, also had the chance to meet Lisa and both of my girls mentioned what a "cool lady". My girls and I got to hang out on the ranch, shoot skeet with a shotgun, fishing, drive atvs, and hike around. Lisa had an infectious energy that made a lasting impression on me and my children.

*Tim, Mya and Jesse Boehm.*

“ Lisa was a ray of sunshine! Her love for life, humans and boxers was always evident. She gave endlessly and expected nothing in return. Lisa is greatly missed, but her spirit and joy will live in my heart forever. ❤️🙏🌸
