“ Lisa was one of a kind. Her laughter was infectious. Times I slept over Dina's house in Staten Island and just hanging out on the stoop, stories of being young and the crazy times we had. I'll miss you Lisa and my sincere condolences to all in the family. May the perpetual light shine upon you and may you rest in peace. Until we meet again. 🙏

“ *Lisa was such a special person. Always positive, always happy, always respectful and always so much fun at the same time. Working with Lisa for so many years I learned so much from her. She was my advisor and she was my friend. I was so happy to continue my friendship with her into my retirement. We shared so many times and crazy things through the years at work. We had so many laughs and so many hard times also, I can't even keep track... lol she was always there for me. I will always remember her for the great person she was.*

“ *What can I say about the loss of my dear friend Lisa. I have many memories with Lisa, late nights, going dancing, many crazy things we did. Sleeping over each others homes on weekends. Laughing hard to our core one night when I Pierced her mom's ears. Texting back and forth over yankee games. Lisa was the most true and caring friend you could ever have, I was lucky to have that with her. I will always keep Lisa in my heart. Rest in peace my dear. ❤️❤️❤️❤️*

“ I have so many beautiful memories where do I begin. But our best times were spending our night at all the Ranger games. We would go to Charlie O after the game to stalk all the players . Lisa and I grew up together from kindergarten . We went to grammar school then high school. We worked near each other. We then hung out every Friday night in Neil dancing the night away. She was with me when I met Ron and I with her when she met Anthony. We live in the same building and spent many of nights hanging out and playing cards and playing with my kids. Her and her family loved my Ron and Erica. Lisa was a kind and caring person I am so heart broken that she is gone . Lisa I will always love you and keep you in my memory. Until we meet again ❤️❤️❤️❤️ Paula
