“ Lisa and I became friends at a ball game when our babies were very little. We saw each other very little over the years but used to talk on the phone often to keep up with life. She was a faith-filled woman who loved her family more than life. Sharing those conversations with her are treasures to me and I wished I could've seen her or been there for her during her sickness. She was very private and I respected that, and I'm sad knowing she's not here anymore. She was such a sweet person! I love you Lisa and I'll miss you. Dance with your angels in the beauty and newness in and around you now!! I love you, my friend!

“ Lisa and I shared our faith and prayed together over the phone. She was my beloved friend. We never met in person but it was like we knew each other for a long time. The Lord answered our prayers for our families. I'm so glad I got to know her. I'm waiting to meet her in heaven. All my love Lisa!

“ *So many great memories of my beautiful mom. I will mostly miss her phone calls and the messages she would leave me on my phone. I will miss her playing and laughing with my children because she adored her grandkids. I will miss her laugh and smile. I will miss her warm hugs and her telling me she loved me. She was so selfless and would do anything for her kids. She was one special mom and woman. Always in our hearts forever ❤️*
