“ I met Lisa while working at OMES... we immediately became friends, along with a few others. We made our gals group, and soulmates, sisters from another mother... from trips to NYC, Jaimaca, Destin, New Orleans, Biloxi, Caribbean cruises, California, Mexico, and the Keys... we had the best times!! We met about once a month, even after some of us retired. We laughed, cried, and told our funniest stories.. I will forever remember those precious memories... Her family always made me feel like part of their family, from dinners, Christmas Eve gift exchanges, and Lake house weekends.. I always called them my second family, and Lisa always said “ I think.....  
Kellie is more like your daughter than mine!”  
Her family was the one who nicknamed me LULU, since there was already one Lisa. Thanks for being my friend , and always being there Lou, from the funny stories, and the best times. I will always love you and your family! 🙏❤️🥺💔💕✅🍑💜👍💄💋💅

“ *This is a huge loss to so many people. Lisa was one spunky girl! First got to know her while working at the SJCSJ and then on a more personal level. She loved fiercely. If you were her friend she took care of you. She was sweet, funny, and sincere. You could count on her when you needed a helping hand, a shoulder to cry on or to share a few laughs. I'm glad the pain is gone sweet girl and that you are finally at peace but I'll miss that smile the " hey let me tell you somethin" thing. RIP my friend. Prayers for your entire family.*

*“ I am so so sad for the loss of such a loving person. Growing up together was just amazing!! There were so many adventures we lived!! Kick the can at night, bike riding, walking to school, walking up town eating pickles out of the barrel on St. George st. We really had girl power !!!! Such a wonderful childhood life. Loving prayers to her family and friends. God was just blessed with another angel. 💎💎*

“ So many memories of growing up in the same neighborhood for many, many years. Sleepovers, talent contests, riding bikes to town to play on the lawn at the Old Fort or spend our allowances at Woolworths on makeup and 45 records, playing at the sandhill behind the convenience store on my brother's ATV-90, so many memories. All experiences of growing up together as best friends. I love you, dear Lisa, and am thankful you are no longer in pain. God rest your beautiful soul and comfort your family at this time. Much love, Connie Stuart Bailes.
