“ Truly a child leads the way to perfection. This beautiful great, great, granddaughter of mine, that is of fifth generation, is an earthly angel. Her little life was so short but we know where she is. Her smile is so overcoming and full of love. Thank you Lord for giving our family this perfect jewel. We are so lucky to have her even for five short months.

God has ways we cannot comprehend with our earthly minds, but His ways are to be perfect and one day we will ALL understand!
I love you my dear Lola!
