“ I worked with Louise at the Visiting Nurse Association years before she married. I loved that she married and was able to be a parent to her husband’s children. I was saddened about her death. She was a loving, caring person with an upbeat positive nature. Condolences to her family who will miss her greatly.

What a wonderful privilege and blessing to have known Sister Louise! My family had known her family form many years of traveling and singing Gospel music! I have known Sister Louise to be a lover of The Lord and to her family! She was always so passionate to talk with on our meet ups while ministering at any Gospel Venue! She will truly be missed here on earth by all of her family and our family! We will always remember you and keep your memory alive! We love you. from The Combs Family.
