Marcia Joan Kolling

July 10, 1931 - April 30, 2018

Marcia Joan McCall Kolling, age 86, passed away peacefully in her home in St. Augustine, Florida, on April 30th, 2018. Born in Chicago, Marcia graduated from York Community High School in Elmhurst, Illinois in 1949. She attended Lake Forest College and, just a month after her 21st birthday in 1952, she married Byron Kolling, the love of her life. During their early years of marriage, Marcia and Byron lived in Japan while Byron served as an officer in the U.S. Air Force. Upon returning to the United States, they founded Bynal Products in Chicago, a company they ultimately sold to Waste Management. In the early 1990's, Marcia and Byron moved to St. Augustine, Florida to be closer to family. Marcia loved people. She deeply enjoyed spending time with friends and family, volunteering in nursing homes to encourage those who were lonely, and being a true friend to many in her church and neighborhood communities. She loved making people smile and remained an actress-at-heart throughout her life. Marcia was a devoted wife and mother in the highest senses of devotion and service. She had a deep and trusting relationship in Jesus and was an inspiration – both spiritually and physically – to all with whom she came into contact. Marcia is alive and well today in her new home in heaven. She leaves behind her sister Jean, son Brad (Alane), daughter Vicki (Don) and six grandchildren – Bradley, Austin, Katheryn, Caroline, Amanda and Victoria. She will be missed by many and remembered

fondly by all who knew her. Funeral services will be held on Monday, May 7th, 10:30 am at Shores United Methodist Church in St. Augustine. A visitation will precede the service from 10-10:30 a.m. Please direct flowers or donations in her honor to Shores United Methodist Church.
