October 2, 1943 - November 13, 2024

Margaret MacCandlish Mulford, October 2, 1943 – November 13, 2024.

It is with deep sorrow that we announce the passing of Margaret MacCandlish Mulford, a cherished mother, a light in the lives of all who knew her, and the beating heart of her family. Margaret departed this world surrounded by her loved ones on November 13, 2024, leaving behind a legacy of love, warmth, and an indelible spirit that will continue to guide her family for generations to come.

Born on October 2, 1943, in Stratford, Camden County, New Jersey, Margaret was the second of three siblings, growing up in a time of post-war recovery and community. Margaret's life was dedicated to her family. She was a mother to four children, Ken, Margaret, Eric, and Melissa, whom she raised with an abundance of love, wisdom, and care. Her home was always open, not just to her children but to their friends, creating a space where everyone felt welcomed and loved. Her nurturing extended beyond her immediate family; she was a second mother to many, offering guidance and a listening ear when needed.

Professionally, Margaret provided private daycare services to very young children, where she touched the lives of countless children and their parents with her kindness. Her daycare was a sanctuary of creativity and

encouragement, reflecting her belief that love and kindness are the foundation of a better world.

She leaves behind her children, Ken (with his wife, Sunny), Margaret (with her husband, Ron), Eric, and Melissa (with her partner Tom); eight grandchildren and 3 great grandchildren who knew her as Nana; and numerous nieces, nephews, and friends whose lives she enriched.

A woman of grace, Margaret was fiercely protective of her family and friends. Margaret MacCandlish Mulford will be remembered for the love she spread, the lives she touched, and the family she cherished above all else. Her spirit will continue to guide and inspire us all.
