

Margaret Ann Nickson

January 29, 1940 - February 4, 2022

Margaret Ann “Margie” (Kovacs) Nickson, 82, passed away peacefully with her family by her side in St Augustine on February 4, 2022. She was born in Norwalk, Connecticut to Louis Kovacs and Elizabeth Ann (Ritzo) Kovacs. Before moving to Florida in 1996, Margaret lived in Pawtucket Rhode Island for 48 years, where she married James Nickson and raised her family. During her years in Rhode Island, she was surrounded by loving relatives who were always there for each other, celebrating birthdays, holidays and family get togethers.

Margie loved music and she never went a day without it. She loved the Florida sunshine, the beaches, spending time with family, laughter, a good game of Scrabble, and a Boston Bruins Win!

Margie was preceded in death by her husband James Nickson and her sister Elizabeth Sevegny. She is survived by her four daughters and two sons in law: Carol Mousseau and her husband David Mousseau, Jean Cochran, Mary Pendergraft and her husband Mike Pendergraft, and Barbara Ann Fernandez. She was incredibly proud to be the grandmother of her 7 grandchildren, Eric Mousseau (wife Christina), Amanda St. Andrews (husband Matt), Heather Nickson, Rose Pendergraft, Elizabeth Nickson, Emily Fernandez, and Colette Fernandez and she was also affectionately known as GeeGee to 10 great grandchildren.

There will be a private memorial with her children and their families here in Florida, followed by a family gathering in Rhode Island where she will be laid to rest with her husband James at the Rhode Island Veterans Memorial Cemetery in Exeter, RI.

St Johns Family Funeral Home & Crematory is in charge of arrangements.
