“ *I'm so deeply saddened that my beloved Aunt Monk passed away. She was truly a remarkable person, who made a profound impact on my life and so many more. She had a way of brightening every room with her kindness and warmth, she always knew how to lift you up. We spent countless hrs on the telephone.. The memories we made will for ever be a cherished part of my heart. I am leaning on all the times we shared good and some not so good. Remember she will always be there watching all of us, from up above. God bless the family, with much love,*

“ Being married to my brother Bruce for 39 years couldn't have been easy, but you always took wonderful care of him. You changed his life and gave him a family to love. Such a blessing to so many, and a great loss as well.
