“*Condolences to the Smith family. I have many good memories of Marian--her love for Larchwood and how she enjoyed sharing that love with her grandchildren. She also was such a valued member of the Greece Historical Society; her support, and Pete's support, helped make the GHS the strong organization it is today. She also happened to be assigned to the nursing staff of Rochester General's maternity ward on the day we brought newborn daughter home in Sept. 1971--a lovely memory. My late husband and I forged our first connections to the Smith family when we began teaching at Greece Olympia in 1966--how Pete impressed us with his knowledge of Russian and Chinese history! Now two strong pillars of the Greece community have passed....*
