“ I have had the pleasure of knowing Mrs Chase for many years . I first met her through her daughter Lisa who was my amazing Professor in Physical therapy school . Lisa and I became fast friends and it was so easy to fall in love with her and her family . Through Lisa , I met her brother Tony who also became a good friend . There was definitely something special about this family and it shined through everything they did and said . Lisa invited me to church with her and that's when I met Marge and Roger's chase . I quickly found out what made this family so special . They truly lived their lives in the service of our Lord . In everything they do God is always at the center of it . I found my extended family and they brought me closer to Christ . Mrs Chase sang in the choir and her voice just resonated her love for Jesus . She had the voice of an Angel . I soon became known as her adopted daughter as we loved each other so much and respected each other so much . My life was completely changed for the better because of meeting Lisa, Tony, Roger's and of course Marge.

I will miss Marge so much and I'll miss her smile , her advice and her laughter. I know she is in Heaven singing away in Gods choir and I know she is at peace now and whole again . Rest well mama chase and say hello to my mom and dad for me . Until we meet again in the glory of Jesus . I will continue to love and cherish Lisa, Tony and Roger's as they are now my family as well .
