“ *I remember sitting for hours with him talking about highschool glory days and jazz. I remember his love of African elephants and the Gators. He introduced me to Star Trek. I remember his crazy love of anything bread and gravy. He converted me into a Jimmy Buffet fan. I remember as a little kid him taking care of me when I had bronchitis. He taught me how to drive a stick and change a tire and my own brakes and oil. I remember all these things. I feel like I'm a better person having had him in my life. I love you Uncle Mark.*

“ To Margie and family, I worked with Mark for nearly 20 years. He was an excellent caregiver and had so much respect from everyone. We also shared a lot of laughs! Rest in peace, my friend.
