“ Hi Mom....I love and miss like I never imagined possible. I miss your voice, your smile, your hugs. I love you to the moon and back, Mom. I know you will be our angel, and with that, I get some comfort. We will see eachother again, but until then I will carry your memory forever in my heart. See you in heaven. Xoxoxo

“ Justin, Amber and family we will keep you in our thoughts and prayers and sorry for your loss. Your Mom gave me my first baby Christmas tree ornament when my 1st son was born and I still have it and put it on my Christmas tree every year. She lived across the road from us up in the apartments with your Dad.
