“*Marsha was an amazing member of our church. She organized an incredible craft sale every year. We sang in the choir together for over a decade. She was intelligent, funny, and real. I will miss her. Prayers for her friends and family.*

Marsha was an amazing woman. She was such a joyful light in this world. She will be missed by so, so many people. She was one of my first friends at FUMC, and we spent many hours together on projects and at Living Stones meetings. She was a hard worker, whose dedication God and missions was unsurpassed. She smart, funny, vibrant and enthusiastic, and her smile could light up the room. Marsha was one the best Christian women I have ever known. My heart was shattered to hear of her passing because it was much too soon. At the same time, though, I take comfort in knowing that I will see her again one day. Prayers for peace and strength for her family. She loved you all so much, and she was very proud of each of you.

“*Marsha was such a dear and special friend....we shared many laughs as well as tears, we worked together on many church projects, we sang in the choir, were members of the Trailblazers Sunday School class, and most of all we shared our love of Jesus Christ. She will be missed by so many, but it is comforting to know that she is without pain and is at peace.*
