“ GiGi loved everyone as her own. And she was never afraid to tell you just how GiGi felt, which always made me giggle because no one was brave enough to tell her otherwise. She loved her great grand "angel babies" so much. I remember the 1st time we went to visit her & Pa in TN. She was so proud to show her great grand babies around to anyone & everyone 😊 You are so very loved & will be missed always.

“ I am so sorry for your loss. I worked with Martha at Westinghouse for many years. She was known as Bitsy to all of us. We shared many good times during those days. She was a very loving outgoing lady and she will be miss by her Westinghouse friends. You now have another guardian angel watching over you. R.I.P. Bitsy.
