So sorry for your loss. We didn't know Marty well, but I know he was talented, and remember him fondly from a Sunday night "talent" program we had at Palm Valley BC when Jeff was the pastor there. We had a good time, and enjoyed his playing. Our prayer is for God's peace and comfort to surround the family during this difficult time, and into the future.

While I didn't Marty for very long, it was easy to see that he was a very kind and gentle person. On one of his first days at work he brought in his guitar and played music and sang for all of us. He took pride in his work and was a pleasure to be around. Marty was always the first person to offer help when needed. Deepest sympathies and condolences to his family.

“ Many memories playing guitar together. Remember babysitting Shawn when he was an infant. Even though it had been years, I think of you all often. So sudden. . I will miss him.
