

Mary Ann Musto

January 16, 1949 - August 1, 2023

Mary Ann Musto, 74, of St Augustine FL passed away on August 1, 2023 after a four-year courageous battle with cancer. She was born in Bloomsburg, PA, the daughter of Charles and Lenore Savage. Her early years were spent in Canton PA and the family moved to East Smithfield when her father was appointed principal of East Smithfield High School. She is survived by her husband of over 40 years Dr. Patrick J. Musto, her son Daniel Brown, his wife Autumn who provided loving support and comfort, and sons of St Augustine FL and a special granddaughter Drusilla Brown of Bath NY.

She was a graduate of East Smithfield High School, a member of the Sayre Christian Church, received a Family Development Credential from Cornell University and completed training to serve as a Steven Minister. Her career included owning and operating a women's clothing store in Sayre, volunteering at the surgical desk at the RPH and working with her husband as a dental assistant.

She was a passionate reader. It was not unusual to be reading two or three books at the same time. Her love of art and travel took her from MoMA in New York to museums and galleries throughout Europe.

She had requested that any memorials be directed to St. Jude's Children Hospital.

On our last trip to Rome, while touring the palace of Augustus Cesare, she came across his death bed quote. She thought that it would be a fitting way to end her obituary. "Have I played my part well? Then applaud me as I exit!"

“ *What a sweet soul...She always had a smile and we were friends in high school. She always made us laugh and portrayed a tough exterior with a heart of gold underneath. Not easy being a principal[s daughter, but she did him proud and gave us all wonderful memories. Lost track through the years, but was never far from my thoughts when I would reminisce in my mind about her.*

“ *My dear friend, Mary Ann - we had so many good memories to share as we had been friends since high school. Even though we lost touch for a while, when we reconnected we picked up right where we left off. I was so happy to see you last summer even though a short visit. Pat, Dan, Autumn, Dru and boys, you are all in my thoughts and prayers. Peace and comfort to all of you. She will be missed!*

“ *My dear sweet friend, Mary Ann. How I wish we had met during better times. Before Covid which kept us all apart, and illness that came into both our lives. What grand fun we would have had. Even so, I will forever treasure the hundreds of texts, pictures, supportive wishes, and always the funny cartoons we shared to make each other giggle. I will forever miss you, and yes my friend, you played your part so well, I pray that you can hear me applauding your exit.*

Forever Peace 🕊️🕊️
