“ Words are inadequate to describe what you mean to me and how much I will miss you Mom. You are my rock. Always there with unconditional love & support. You were a part of every aspect of my life and have left a huge hole that will never be filled. I look forward being with you, Dad, Bill, granny, and all our loved ones in heaven. I love you.....

“ Where to begin... Weezie was a beautiful person inside and out. She shone with love for the family, even when things were tough, and wanted nothing more than for us all to be together as much as possible. Weezie encouraged me to stay strong and push through my school until the end. She inspired me to experience the world, love art, and have fun in life. We could always talk for hours about anything from Star Trek to traveling to fashion and history. She will be in my heart and bring a smile to my face forever. How lucky we are to have had this special lady in our lives. Thank you for everything Weezie. Love you always, Lindsay
