“ She never cared for my brother or me. Her will explicitly said "LEAVE NOTHING TO MY KIDS UNDER ANY CIRCUMSTANCE" AND she legally disowned my brother to avoid child support. She was a TERRIBLE mother who met her kids only three or four times after she left my dad, her HUSBAND who she took the last name of. He shot himself her son killed himself in a car accident and I have terminal organ failure. She sucked.

Lauren I am so sorry. I have been woken. I was wrong and placed in hypnotic detention of my own moral center. Your brother was likely murdered. Please call me. 909-514-0101
