“ Vince, you know in the past how Lowell and Incared about you both. Mindy excluded love to all and your love for each other was so evident. My sincere sympathy. May you experience God as your constant Comforter that He is.

“ I met Mindy at Curves near Cagan Crossings years ago. She was so sweet and cared about all of us. Even after curves she was there for me when my mother passed away. I remember we both loved watching Days of Our Lives. So sorry to hear of her passing. Love to her family and friends.
