

Melissa Jaudon Bush

November 3, 1962 - September 21, 2023

With profound sadness, we announce the unexpected passing of our beloved Melissa Jaudon Bush on September 21, 2023, while tending to her gardens, that she took great pride in cultivating. Born on November 3, 1962, St. Augustine, Florida, daughter of the late Voirene and Sandra Jaudon, Melissa's journey through life was enriched with memories of the beaches she grew up around, the gardens she tenderly nurtured, and the family she cherished deeply.

Melissa was born and raised in St. Augustine and later moved to Atlanta, GA. In 2007, she made her way back home, embracing the town's history and charm once again. Here, she found peace, reviving her love for plants amidst the familiar surroundings of her youth.

Survived by her devoted husband of 15 years, Daniel Bush, Melissa's memory also lives vibrantly through her children, John Millican of Atlanta, Christopher Millican of St. Augustine, Justin Bush (Erin) St. Augustine, Larissa Robinson, (James), Atlanta; her siblings, Keith Jaudon of St. Augustine, Gregory Jaudon (Emily) of Puerto Rico, Stacey Jaudon (Joanna) of Portugal, and Meg Petoskey (Ted) of St. Augustine; grandchildren, Jack Millican, Jake and Sam Robinson and her aunt, Peggy Howatt (John) of Melbourne, Fl.

Melissa's departure leaves an irreplaceable void in our hearts. Still, the beauty

of the memories we share and the love she disseminated serves as a comfort. As her garden continues to flourish, we're gently reminded of her enduring presence among us, guiding, warming, and echoing beauty in every moment.

A celebration of her life will be held at a later date.

May her soul find everlasting peace, and may her garden's beauty perpetually bloom in our hearts.

St. Johns Family Funeral Home and Crematory is in charge of arrangements.

“ Aunt Melissa, I only recently made it back home and got to hang out with you once again only for you to leave us so soon. I will always remember your voice and laugh. You'll never be forgotten and will always be loved!

“ Dearest Melissa, forever in my memory you will remain. So many times as you were growing up you made me smile , and all of the occassions we shared good and painful are in my heart always. It should have been me , not you. But God has his purpose so we have to trust. Love always,
Aunt Peggy
