“ *Cathy, Cleve and Family, prayers of strength for each of you. I first met Mike at the OP building as '1st floor neighbors', we'd always chat as we passed in the hall, then a couple years later I had the pleasure of reporting to him for a year or so. He was a terrific boss and I learned a lot from him, as well as shared a lot of laughter. He was a supportive and caring man. He will be greatly missed, but God has another Angel to watch down over the rest of us. God Bless, Danna.*

Cathy and Cleve, I worked with Mike off and on for over 25 years. We started our careers together in Atlanta at the Stone Rd. work center in Atlanta as Installation-Repair Technicians.

I remember all of the cute stories he would tell me about Cleve. Later in our careers, I remember Mike changing his diet and showing me what to eat to lose weight. Cathy you would send cottage cheese with fruit and walnuts for Mike's lunch and today, that is one of my favorite things to eat. I think of Mike every time I make a bowl.

Mike was always such a good man and he he loved both of you so much.

I am sending my deepest condolences to you both as well as the rest of the family. I am so sorry for your loss.

Rest easy my friend, Mike.
