To Johnny, Robyn and John, as well as the entire Boback and Mooney Clan, and all others by blood or friendship that knew Michael:

Please accept my sincerest condolences regarding the passage of Michael from the Earthly plane. It is never easy to say goodbye to those we love, but may you all find comfort in the knowledge of his immortal Spirit that lives on, just in a different form. Like all of us who will also pass through that veil, we will find each other again, and there will be great joy in that reunion!

May the music of Michael's soul be a sweet song on all your hearts and play fondly in your memories moving forward.

Peace be with you all!

Sincerely,

Arthur Danu
