“ Our hearts go out to Justin and the Burk family. Hold the memories close as they will bring you comfort and smiles to your faces!

One particular memory that we have of Mike would have been back around 1978. We were all living together in Ft. Collins, CO and Mike being the foodie that he was decided to order every item on the Taco Bell menu!

Man verses food and Mike won!!

Mike was fun, always surrounded by friends and family where ever he was and above all else...he was loved!

Mike will live on in our hearts and in our memories because of the person he was!

To the family, we are so sorry for your loss and to Mike, rest in peace man.
