“ Condolences to the family: The ancient man of faith, Job, raised this question at Job 14:14 "If a man dies, can he live again?" He went on in verse 15&8239;to answer his own question by saying to GOD, "You will call, and I will answer you. You will long for the work of your hands." How well Jobs words harmonizes with Jesus words at John 5:28, 29: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out,". These inspired words were written for the comfort and hope of the bereaved. May this grand resurrection hope bring Michael's family the measure of comfort that they require to get through this short period of darkness. Deepest Sympathy
