“ *This is late but I just found out today as I was trying to look him up to try and get together one weekend. My heart breaks so much hearing of your passing. You were such an amazing friend of mine that I could never forget. You got me through the Academy and I could talk to you about some pretty bad spots in my life. You helped get me through them and I wish I could turn back time to be there for you the same you were for me. I'll never forget you 'Eyes'. Rest easy my friend.*
