He who dwells in the secret place of the Most High  
Shall abide under the shadow of the Almighty.

He is my refuge and my fortress;

My God, in Him I will trust.

“ Just hearing of Mike’s passing. Very saddened by this news. I worked with Mike on a weekly basis with two different builders I worked for. Mike was always one to never just pass the buck and would be there at the drop of a hat. Was a very good man and will be missed. God Speed Mike ..

“ I worked with Mike for over 5 years for a large company . During our time together he was about the only person who would offer his help in any way as I would do the same for him with out his asking. There were times he would take off from work from not feeling well and I would cover for him as best as I could. Mike would share many of his life stresses as I would do the same with him . Mike May was a good man . He will be missed. Gods speed ,RIP Mike. May.

“ Mike and I had the pleasure of working together for the last 6 years. The last few we became really close. We shared the love of sports, and family and Faith. Mike always looked out for me and others first and always could turn a bad day to a good day with some comical twist. I miss him dearly but am comforted that I will see him again.

“ Mike was a very special guy. He was the husband of my very best friend. When I visited every year from PA he let me steal his wife away from him so we could have our time together. He always made me laugh. He would drive us around and do whatever we wanted. I think my funniest memory was when we wanted to go see menopause the musical and got him a ticket. He was one of about only 10 men in the entire theater but he did it for us. I remember him coming to PA for the first never meeting my husband any staying with us how awkward it must have been for the two of them but he did it because he new it would make Nikki happy. They were two of a kind and hit it off right away. We went and had our fun and they chilled out until we returned. He had a way of touching your heart - even the animals had a special connection with him. I am going to miss you very much but just know that I will watch over your girl.

“ Mike was one of the sweetest and hardest working guys I’ve ever known. He loved Nikki with all his heart! Mike loved Jesus and we know where he is but that doesn’t mean we don’t miss him. Mike was such a wonderful man! Billy and I miss you already. ❤️🙏❤️
