“ *I first met Mike in 2020 when I picked him up from UF Health. I remember being flooded with compassion for him when I got to know him because on a deep level I knew he was trying, but I also that the struggle was too great. Mike was an intelligent young man who in fact did so love to cook....always whipping up pasta dishes. He gave it his best. He tried. Farewell Mike.*

“ Dear Riddle family,
I am so saddened to hear of Michael's passing. I will keep all of you
in my thoughts and prayers. May your memories bring you peace
and comfort. It seems like just yesterday you were 6th graders!
Be kind to one another and know that others grieve with you.

“ It's been a long struggle, but we've been beside you the whole time. 2020 was probably one of the toughest years for everyone, but it was the best in so many years for all of us with you. Far too soon, but you're still here with us. Love you, bro.
