Michael McKierney Weber

April 23, 1941 - May 25, 2016

Michael McKierney Weber, age 75, passed away peacefully at his home on May 25, 2016. He was born in The Bronx, New York and later resided for many years in New Jersey. A Vietnam veteran, he served in both the 82nd and 101st Airborne Divisions during his two tours of duty. He and his wife Judy moved to Florida in 1980, actually living on their sailboat for their first three years. They moved to St. Augustine in 1996 and he suffered his first heart attack just one year later. He was an accomplished artist and woodworker but eventually his poor health prevented him from working. He suffered two additional heart attacks in recent years and received subsequent diagnoses of congestive heart failure, atrial fibrillation, COPD and lung cancer. He leaves behind his wife of 48 years, Judy, his sister Margaret Bauer, sister-in-law Patricia Weber, many cousins and nieces and nephews, plus his loving dog Reggie. A Memorial service celebrating his life will be held at a later date. St. Johns Family Funeral Home is in charge of arrangements.
