“ I am so sorry for your loss . I grew up near Mike and went to school with him. We had some great times. So sad his flame burnt out so quickly. God bless you and your family

“ Mike was such a good guy I know he was my brothers best friend. I was around him enough to know he was a special and selfless person. I have very good fun memories with him and our families ties run deep. You will be missed my man but we will all meet again. Rest in peace brother.

“ Mike was the most unselfish person I have ever known. Always dropping anything at a moment's notice when he saw the opportunity to help someone. Not just helping carry something or holding a door open. He would take charge of a whole project like fixing a buddy's car or using his truck to help someone move their residence. He was always there and willing no matter how big the task. He gave everything and expected nothing in return. This I imagine, will be the best memory for anyone close to Mike and most painful to let go of. Sense of humor and quick wit just bonuses. Rest in peace my friend. We'll see you on the other side!

“ I am so sorry for your loss Yost family. Mike was definitely one of a kind. I loved having him as a co worker and a friend. I already miss him terribly. He helped brighten the work day with his positive attitude and funny antics. We laughed every day. In my opinion he had a heart of gold. RIP Mike. Love and miss you.
