*Mickey you were a great friend and you were there for me when I was ready to give up! I will never forget you for that alone. You were a true friend that didn't consist of the drama & b.s that most friendships are centered upon*

*I love you Mickey. Rest in peace girly You are finally free of the pain. I love you girl and you will truly be missed.*

“ Hey Mickey just wanted you to know that I love and miss you so much. It has been really hard for me since you have been gone. But I would do anything to trade places with you. But God needed you more than all of your loved ones. I know you are no longer suffering and I know you are there with Sissy and Mom and Dad and all our other loved ones. Do me one last favor and tell everyone that I love and miss them also. And please watch over all of us. Fly high ❤️🙏😭 I love you. Your Lil sister Cissy
