“ *My son Ethan has the privilege of working with Nancy at the Durbin Crossing amenity center. He always enjoyed being around Nancy because of her warm and friendly personality. He has fond memories of being around her and he is devastated by her loss. My wife and I also had the chance to meet Nancy and speak with her numerous times at various events at the Amenity Center. It seemed like Nancy always had a smile on her face and she truly loved life. My family would like to offer our sincerest condolences for her loss. We are praying for her family and everyone else in her life.*
