“ *I read the occupation listed here for Nancy and it said "Homemaker" and it struck me as so true because Nancy made a loving home for her family in this life, but she also made everyone feel at home around her. I will always remember the fun times we had, the confidences we shared, her amazing warmth, fierce loyalty and all encompassing love. Her faith was inspirational. She was a good friend to many and her laugh lit up her eyes and the room. She will be so missed. Paul and I offer our understanding, sympathy and condolences to Mark, the boys and family. You were her world and still are, for she watches over you and knows you will be together again one day in glory. God Bless you, comfort you and keep you strong. You have a village that cares and are there for you. Blessings.*

“ Mark, Aaron, Travis and Jason, I've known Nancy since I was 14 years old. 40 yrs! I will miss her. She was a very strong woman. I am so thankful that she recommitted her life to Christ when she did. She definitely had a heart for people and animals. I'm sad for us, because we won't get to see her and talk with her. I can hear her cheerful voice in my head saying "Hi Neat." I'm so thankful that I was able to visit with her last month. God is good. The pain of loss is great, but we will learn to live life a new way with God's help. May you be blessed with comfort from the Holy Spirit, for he is our comforter and peace from God who is our peace. My deepest sympathy to you all. Darlene, Damion(Ty), Lauren, Wyatt, Ruger, Remington & Francesca too. Love, Anita (aka Auntie Anita)
